ESSENTIAL COMPOSITION AND QUALITY FACTORS

- Besan shall be free from abnormal flavours, odours, coloring matter and preservatives.
- Besan shall be free from kesari dal
- Besan shall be free from filth (impurities of animal origin, including dead insects) which may be hazardous to human health.
- Besan shall be free from insects; fungus, extraneous matter, rodent hair and excreta.

CONTAMINANTS.

- Heavy metals.

Besan shall be free from heavy metals in amounts which may represent a hazard to human health.

- Pesticide residues

Besan shall comply with those maximum residue limits established by the Codex Alimentarius Commission for this commodity.

- Mycotoxins

Besan shall comply with those maximum mycotoxin limits established by the Codex Alimentarius Commission for this commodity.

HYGIENE

- It is recommended that the product covered by the provisions of this standard be prepared and handled in accordance with the appropriate section of the Recommended International Code of Practice- General Principles of Food Hygiene (CAC/RCP1-1969) and other codes of practice recommended by the Codex Alimentarius Commission which are relevant to this product.

-To the extent possible in good manufacturing practice the product shall be free from objectionable matter.

When tested by appropriate methods of sampling and examination the product.

- shall be free from micro-organisms in amounts which may represent a hazard to health.
- shall be free from parasites which may represent a hazard to health and
- shall not contain any substance originating from micro-organisms in amounts which may represent a hazard to health.

PACKAGING

Besan shall be packaged in containers which will safeguard the hygienic, nutritional, technological and organoleptic qualities of the product.

The Truck/container including packaging material (food grade) shall be made of substances which are safe and suitable for their intended use. They should not impart any toxic substance or undesirable odour or flavour to the product.

When the product is packaged in sacks these must be clean sturdy and strongly sewn or sealed.

- f) In order to ensure that the finished product strictly conforms to the quality standards specified/to be specified from time to time and to relevant statutory rules. Markfed Quality Assurance

officials at the factory of Supplier may check the quality of the input material (Besan and packing materials) and the finished product.

- g) Such periodic check of quality norms by Markfed personnel will however not absolve supplier from their obligations and responsibilities to comply with the prescribed quality and standards of Besan. Also violation of any statutory provisions as applicable from time to time.
- h) Supplier further undertakes and guarantees that Besan to be supplied to Markfed would strictly conform to the relevant quality standards prescribed under Food Safety & Standards Act 2006, PFA Rules or any other relevant statutory provisions including conformance to weight & Measures Act. Packaged Commodity Rules and statutory label declarations etc. Markfed shall also be entitled for recovery of damages on account of lowering the reputation on account of supplying poor quality of Besan. In case of any failure of samples under PFA Rules/any other statutory provisions or any replacement etc. for the stocks lying with Markfed Depots /CFAs/branches or channel partners i.e. dealers/retailers etc., the supplier will be solely responsible for all its consequences/damages etc. and will indemnify Markfed for these losses.
- i) For any deficiency in quality standards of Besan or any deviation from compliance of the statutory rules including PFA rules governing package declarations, Supplier fully undertakes to secure and indemnify Markfed from the loss / damages if any.
- j) One lot of Besan shall comprise of **9 MT**. Each lot of 9 MT will be supplemented with a laboratory analysis report indicating nutrition contents. The nutrition contents will conform to the specifications supplied. Markfed shall cross check the report in its own laboratory at Ropar or through other Labs. The analysis result of the Lab in such case shall be binding on the Mills. The testing charges shall be borne by the Miller. In case the lot does not confirm to the specifications, the same shall be rejected and the supplier shall offer fresh lot for testing.

2. PRODUCTION:

The tentative requirement of Markfed shall be 20 MT per month. However, the quantity can be increased or decreased by Markfed depending upon market response without any obligations of Markfed. Supplier will be bound to supply first order of Besan to Markfed as per requirement within 15 days of the placement of order by Markfed and delivery schedule and thereafter shall deliver the finished product within five days of the placement of confirmed order on the party by Markfed. In case of non supply / short supply within the stipulated period, Markfed shall be at liberty to arrange the material at the risk and cost of the supplier besides forfeiture of security. The process of manufacturing including any process incidental or ancillary to it shall be carried out by the producer as permitted by relevant laws. Supplier shall continuously process each lot of Besan under supervision of quality control officer deputed by Markfed.

3. PACKING MATERIAL:

The Supplier will produce 1 kg net weight. Besan in flex packing and packed in Master bag of 10kg (10x1kg). The supplier shall use fair average quality (FAQ) of channa duly cleaned and washed.

All packing materials (food grade) shall be as per specifications given by Markfed. The supplier shall arrange the packing material from Markfed source or independently strictly as per the specifications and design already approved by Markfed. The Cost of packing material is part of conversion cost. Copy of specifications of packing material is attached. Printing matter on the

packing material shall be got approved from Markfed Vanaspati & Allied Industries, Khanna before its packing.

4. MANPOWER:

All the manpower that may be required for manufacturing and other operations including material handling etc. would be arranged by the supplier at its own cost. Markfed will not be responsible for such employees. However, Markfed shall depute its on quality control officer placed in the premises of supplier to check quantity / quality of product being supplied for which necessary sitting arrangements shall have to be made by the supplier and supplier will not have any reservation to provide facility for Besan testing and access to the plant, stores etc. by Markfed staff.

5. PRICE:

The price of Besan excluding GST will be settled periodically as per the prevailing rate of spot price (MCX) of Channa per Quintal ex-Delhi+ accepted conversion, all inclusive of raw material, process loss, electricity, manpower, processing charges, including packing material etc. and FOR cost to Khanna Plant of Markfed. The tenderer while supplying goods shall issue tax invoice in which GST and other taxes may be shown separately. The price quoted shall remain valid for the entire period of contract.

6. Earnest Money/ Security:

Tenderer shall have to deposit Rs. 25,000/- towards earnest money. The same shall be adjusted towards security. The successful tenderer shall have to deposit for the amount of Rs. 1 lac as security in the shape of bank draft / bank guarantee in favour of Markfed Vanaspati & Allied Industries, Khanna, payable at Khanna within three days of acceptance of offer which will be released on completion of contract. The bank guarantee should be valid for a minimum period of 15 months. No interest shall be paid on EMD/ Security. In case of increase in volume, the security amount will be enhanced accordingly.

7. SPECIAL WARRANTY CLAUSE:

The supplier warrants the supplies delivered to be sound, wholesome and fit for human consumption as Besan for a period of three months from the date of procurement in any climate and under all conditions of storage and movement in India.

In the event of the supplies or a part thereof having been declared during the period of warranty as being unsound, unwholesome or unfit for human consumption as Besan by any officer acting on behalf of Markfed whose opinion as to whether or not the particular consignment is sound, wholesome or fit for human consumption as Besan will be final. Markfed will have right to dispose of the condemned stock in any way he considers necessary after giving due notice to the supplier and also, at his discretion, either to allow the supplier to replace the condemned stock within a specified period or to recover from the supplier the contract price thereof together with sales tax and excise duty, if any paid thereon by the Markfed along with all incidental and freight charges incurred from the place of delivery to the place where the supplies were ultimately condemned. The opinion of Markfed or an officer acting on his behalf in regard to these charges will be final.

8. GST:

The Supplier will raise invoices on Markfed for products as per GST on F.O.R. basis at Khanna

9. Delivery:

The supplier shall deliver the first consignment of finished product on F.O.R. Khanna demanded by Markfed within 15 days and thereafter shall deliver the finished product within five days of the placement of confirmed order on the party by Markfed. In case of delay in supply after a free period allowed of five days, the supplier shall be liable to pay penalty @ 0.5% per day. Torn bags due to poor stitching etc., Besan received in defective packing material shall be replaced by the supplier at its own cost.

10. Penalty

In case the Besan is found below specification, and any complaint regarding quality of Besan is reported from the market, the supplier shall have to immediately replace the Besan at their own expenses not later than three days. The stock under complaint as lifted back, shall separately be stored by the party and packing material of such stocks shall be cut & torn in the presence of Markfed representative to eliminate chances of its re-circulation & the party shall ensure that these stocks are not re-packed under SOHNA brand. In case such complaint of recirculation of stocks under complaint reoccur, the contract shall be terminated & proceedings for purchase at risk and cost shall be initiated. In case the failure of the supplier for replacement of Besan, Markfed reserves the right to terminate the contract /agreement, make up loss/damages occurred on this account of any kind including replacement by encashing the bank guarantee/forfeiture of security, arranging material at the risk and cost of the supplier and launch Civil and Criminal proceedings against the miller.

11. PAYMENT TERMS

The party will deliver in advance the Besan packed as per Markfed requirement of the specifications detailed in the agreement. Markfed would make payment within 15 days of, supply of Besan at Khanna for which party shall submit the invoices at Markfed's Khanna Plant, subject to satisfactory test report from Markfed lab and along with receipts thereof. Markfed will deduct TDS on GST bills as per notification issued by GST authorities.

12. STATUTORY REQUIREMENTS

Supplier has agreed to comply with all the statutory requirements and Rules & Regulations promulgated by the Govt. (Central and State) & the local bodies from time to time for manufacture & supply of the product including packing materials such as Food Safety & Standards Act 2006 with amendments from time to time, Essential Commodities Act, PFA, BIS, Weight & Measures Act, Packaged commodity Act etc. or any such order applicable & shall be liable for any violation thereof. The supplier shall reimburse to Markfed legal expenses incurred by Markfed defending any case/prosecution on account of any omission or commission on the part of Supplier in complying with the requirements. In all such cases the Supplier will indemnify the Markfed for any liabilities. If any specific approval is required from any authorities, the same will be arranged by Supplier. The bidder must submit the above said statutory requirement with latest year certificate.

13. SAFETY OF GOODS:

Supplier Unit/Party will store all raw material, packing material and products in proper sanitary condition throughout and shall ensure that they do not deteriorate or get spoiled.

Any deterioration in goods due to negligence of Supplier/ Unit shall be the sole responsibility of the Supplier.

14. INSURANCE:

The Supplier will take proper insurance policy for its building, Plant & machinery, goods, stock in process finished goods and packing material etc. A copy of the insurance policy shall be given to Markfed before start of production.

15. Conditional & incomplete tenders shall not be accepted.

16. The tender shall remain open for period of 60 days for finalization from date of opening of tender.

17. The rates once offered/settled/Negotiated shall not be withdrawn by the tenderer. In the event of withdrawal the earnest money/Security of tenderer shall be forfeited and tenderer shall be debarred from participations in the next tenders of Markfed & work allotted to the tenderer will be got executed from some other party at his risk & cost.

18. though the monthly quantities sought by Markfed may vary as per demand yet the agreement does not guarantee any volume of business.

19. PERIOD OF AGREEMENT:

This agreement shall be valid for a period of 12 months from the date of approval by Markfed which can be further extended for a period of three months at the discretion of Markfed on the same terms and conditions. Markfed can terminate the contract at any time without assigning any reasons.

All the packing material lying in the factory premises shall be the property of the Supplier and shall not be taken back by Markfed in any case. Any shortage in raw material, finished goods or packing material would not be charged to Markfed at the termination of agreement. Markfed would be at liberty to take over all the finished products duly packed out of the balance stocks lying at the premises of the Supplier.

In case of breach of any of the terms and conditions of the contract and the contractor withdraw himself from execution of the contract, during the pendency of agreement, Markfed reserve the right to forfeit the security by encasing the Bank Guarantee and the material shall be arranged at the risk and cost of the supplier for remaining period of the agreement.

20. In case of any change in tender documents, the corrigendum/addendum will be uploaded only at www.markfedpunjab.com and eproc.punjab.gov.in.

21. ARBITRATION:

In case of any disputes and difference between the parties arise up out of the contract the same shall be referred to the sole arbitrator to be appointed by the Managing Director, Markfed as per the provisions of the Indian Arbitration and Conciliation Act, 1996, as amended upto date. The award of such arbitrator shall be final and binding on the parties to this contract. It is a term of this contract that in the event of arbitrator being transferred or vacating his office or being unable to act for any reason, the Managing Director, Markfed at the time of such transfer, vacation of office, death or inability shall appoint another person to act as Arbitrator. Such a person shall be entitled to proceed with reference from and the stage where it was left by his predecessor.

Signature of the tenderer
